

Domestic Terrorists

Videos of United States cops killing unarmed men, women, and children. Cops, Feds, and soldiers using military weapons and armored vehicles going door to door invading and searching homes in the United States. Militarized police invading homes and beating up elderly women to seize guns during a natural disaster. Cops training to kill civilians under the disguise of zombie apocalypse drills. Federal agents burning alive men, women, and children and also sniping women and children. Cops raping women and children while on the job and beating homeless people to death. Cops abusing elderly people and shooting or torturing children often with tasers. Cops shooting friendly dogs or missing dogs and shooting little girls. Cops frequently punching innocent women in the face. Cops killing or beating their wives frequently. Judges accepting bribes and judges, prosecutors and defense attorneys being recorded conspiring against defendants. CPS kidnapping children. Cops being reckless like flipping over vehicles and trying to put fires out with bottles of liquor. Cops doing warrantless home invasions. Cops investigating themselves and evading prison and charges. Cops violating rights for no real reason. This is why non political based militias are needed in every community.
